

IBHI Young Innovator Award 2017

Abstract Guidelines

- Abstracts must be submitted in .doc, .docx, .pdf only.
- Abstracts should be 400 words maximum including the section headings (The title, Author's names and professional affiliations are not included in the word count).
- Abstracts accepted for discussion will be informed to the authors and the Specifications for the presentation will be sent appropriately.
- If your abstract is chosen for discussion, you will be contacted with further details on the email that you will provide.
- Abstracts should comprise the following elements, with each beginning a new paragraph:
 - **Title:** The abstract title should be in initial capital/lower case, not all capitals. The Abstract title should be concise and describe/refer to the content.
 - **Authors:** Author's names should be supplied in capital/lower case, not all capitals. Institutional affiliations should be indicated at Affiliation No. following the author name.
 - **Affiliation:** All affiliations should contain institution, city and country.
 - **Idea to be discussed:** The abstract should detail the objectives of your research project and be structured to include an introduction indicating the purpose of the study (Aims), a brief description of the study methods (Methods).
 - **References:** (optional) References can be included in the abstract text. The style of the references should follow the numbered style. Please cite references within the abstract text.
 - **Images:** Up to 2 supporting images for your abstract can be loaded. Images must be either .gif, .jpg or .bmp format or no larger than 1MB. All images should be cited in the text of the abstract.
 - **Tables:** Tables can be included as an image, and must be cited in the abstract text.

Abstract Acknowledgement:

All presenting authors of submitted abstracts will be notified as to whether their abstract has been accepted for presentation and the author is expected to be present for the Young Innovator session on the second day of the Summit.
